## FEATURES

### CONTROLLER

The EA-1 The ideal smart home starter set. Designed for an exceptional family room entertainment experience, the EA-1 Control4 Entertainment Bundle connects and automates all of the gear around your TV, with just one remote.

### SMART REMOTE

Get rid of multiple remotes on the coffee table! The SR-260 remote controls everything in your entertainment center and features a high-visibility screen and backlit keys for easy viewing, day or night.

### LIGHT & KEYPADS

The Control4® Square Dual Load Wireless Adaptive Phase Dimmer combines elegant dimming with a configurable keypad for the ultimate in lighting control of up to two lighting loads. Unlock the power of one-touch automation by simply replacing an existing light switch with a wireless dimmer.

### WI-FI INTERFACE FOR AC WITH IR

Interface allows a complete and natural integration of air conditioners into IP based control systems. Compatible with almost all AC units with and IR remote controller receiver.

### RELIABLE NETWORK

Pakedge networking products from Control4 are designed specifically for the connected home, delivering superior wireless performance and offering the most dependable routers and switches available.
