SILVER - 40SQM

FEATURES

CONTROLLER

The EA-1 The ideal smart home starter set. Designed for an exceptional family room entertainment experience, the EA-1 Control4 Entertainment Bundle connects and automates all of the gear around your TV, with just one remote.

SMART REMOTE

Get rid of multiple remotes on the coffee table! The SR-260 remote controls everything in your entertainment center and features a high-visibility screen and backlit keys for easy viewing, day or night.

LIGHT & KEYPADS

The Control4® Square Dual Load Wireless Adaptive Phase Dimmer combines elegant dimming with a configurable keypad for the ultimate in lighting control of up to two lighting loads. Unlock the power of one-touch automation by simply replacing an existing light switch with a wireless dimmer.

INTEGRATED WIRELESS SPEAKER

Stream your entire music library - music services - and radio stations. Control wirelessly - easy to set up music player. Start with one music player - expand everywhere. Versatile enough to put anywhere -- horizontal or vertical.

WI-FI INTERFACE FOR AC WITH IR

Interface allows a complete and natural integration of air conditioners into IP based control systems. Compatible with almost all AC units with and IR remote controller receiver.

RELIABLE NETWORK

Pakedge networking products from Control4 are designed specifically for the connected home, delivering superior wireless performance and offering the most dependable routers and switches available.
